BID Survey

Since 2000, Downtown OKC Inc. (DOKC) has served as an advocate, coordinator, facilitator and communicator of Downtown revitalization efforts. The programs and projects of DOKC are partially funded

through a Business Improvement District (BID) which raises money through assessments on Downtown properties. To explore the renewal of the BID and to determine how to best plan for the future of Downtown Oklahoma City, DOKC is seeking your feedback. [Take this brief survey here.](#)
